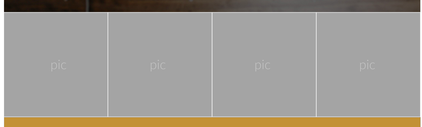
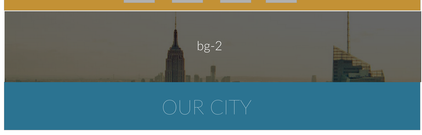
no carousel for the jumbotron; however if there is a possibility for a random image (or fade) - would be desireable.

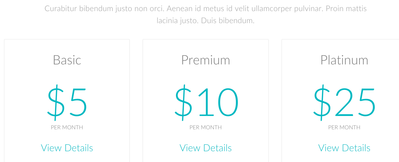


four scaling photos

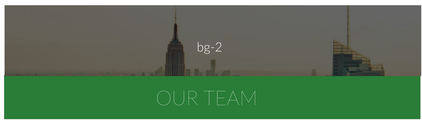
would like to establish color block headers.



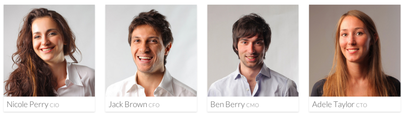
parralax background-2 exposed twice; at top and bottom portions of the OUR CITY section

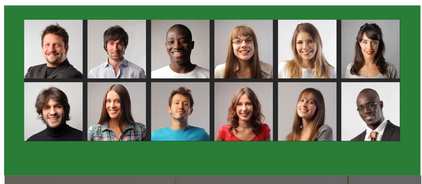


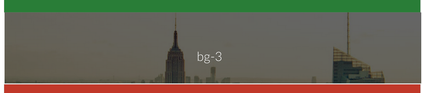
please tint this blue



OUR TEAM header strip; modal windows for each profile.

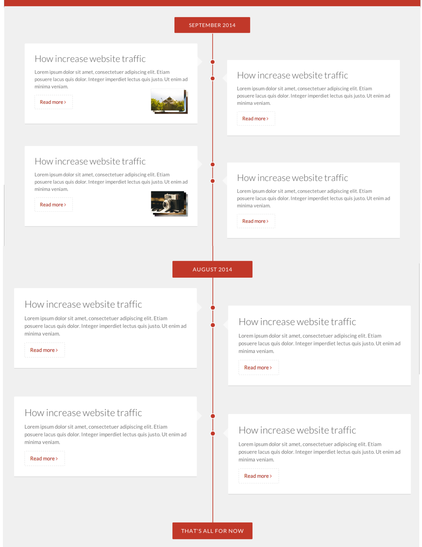




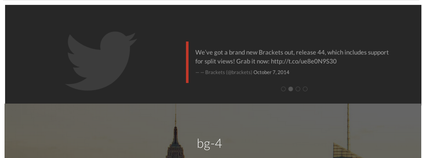


background image #3

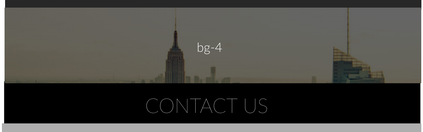
NEWS header strip



Love the timeline, great idea.

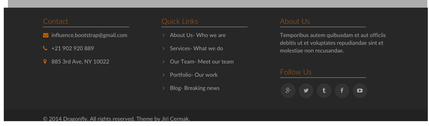


will use the red background / tint



fourth unique background

i'll plug in the map co-ordinates.



will use the red background / tint
